

REMARKS

Applicant has carefully reviewed the office action dated August 20, 2004. This response is believed to address all grounds for rejection stated in the office action and place the application in a condition for allowance. Claims 1-27 are pending in this application. Applicants thank Examiner for the indication that the claims 1-11, and 14-24 are allowed. This response corrects errors in claims 12 and 25 and cancels claim 27 without prejudice, thereby placing the application in a condition for allowance.

Amendment to the Claims

Claims 12 and 25 are amended to correct a typographical error that the Examiner has pointed out. These two claims recited "a bottom mirrors" instead of --a bottom mirror--. The error is corrected. The correction does not add any new matter. Examiner is respectfully requested to review and enter the correction.

Cancellation of Claim 27 without prejudice

Applicants canceled claim 27 without prejudice and will present that claim and others in a continuation application.

Conclusion

In view of the foregoing remarks, applicant believes that all pending claims in the instant are in a condition for allowance. No fee is due with this response.

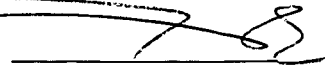

Respectfully Submitted,
